TO THE US PEACE BRIDGE PLAZA**

**Draft Design Report/Environmental
Impact Statement**

Draft Section 4(f) Evaluation (49 USC 303)

APPENDIX K – LIST OF PREPARERS

**PIN 5760.80
City of Buffalo
Erie County, New York**

November 15, 2013

U.S. Department of Transportation
Federal Highway Administration

New York State
Department of Transportation

This Draft Environmental Impact Statement was prepared under the direction and with the active involvement of the New York State Department of Transportation, the New York State Thruway Authority and the United States Department of Transportation Federal Highway Administration. The consultants contracted to prepare this report included:

- *Parsons Transportation Group of New York, Inc.*
- *Ecology and Environment, Inc.*

Parsons Transportation Group of New York, Inc.

40 La Riviere Drive
Suite 350
Buffalo, New York 14202

Parsons Transportation Group was responsible for

| Name | Responsibilities | Education | Experience |
|---------------------------|---------------------------|---|-------------------|
| Thomas R. Donohue, P.E. | Principal Project Manager | BS Civil Engineering | 35 years |
| Craig Richardson, RLA | Visual Impact | BS Landscape Arch | 19 years |
| Christopher C. Gaul, P.E. | Design Engineer | BS Civil Engineering | 30 years |
| Jennifer Cato | Traffic Engineer | Master of Engineering | 15 years |
| Rita Campon | Public Involvement | BA English | 16 years |
| Kenneth Hess | Environmental Review | BA Geography MCRP City & Regional Planning | 36 years |

Ecology and Environment, Inc.

368 Pleasantview Drive
Lancaster, New York 14086

Ecology and Environment, Inc. was responsible for all environmental studies, including general ecology, threatened and endangered species, surface and groundwater quality, wetlands, hazardous materials, cultural resources, and socio-economic impacts, except visual impact assessment.

| Name | Responsibilities | Education | Experience |
|------------------------|---|---|-------------------|
| Fred McKosky, PE | Principle In Charge | MS. Environmental Engineering BA Environmental Science | 35 years |
| James Griffis | Principal Project Manager | BS Biology | 39 years |
| Rachel Smith | Environmental issues, Deputy Project Manager | BA Environmental Studies/Chemistry | 10 years |
| Bruce Wattle, QEP, CCM | Air Quality/Green House Gases/Energy Analysis | BS Atmospheric Science | 33 years |
| Paul VanKerkhove, P.E. | Air Quality/ Energy Analysis | MS Environmental Science/Engineering BS Chemical Engineering | 24 years |
| Tom Siener, CIH | Noise | BS Biology, BA Environmental | 40 years |
| Justin Zoladz | General Ecology and Waterbodies/Wetlands | BS Environmental Science | 12 years |
| Carl Sadowski, AICP | Socioeconomic/ Environmental Justice | MUP Urban Planning BA Environmental Design | 4 years |
| Kirstin Shelly | Economics | MS Environmental/ Resource Economics BA Economics | 24 years |
| Xue Xueqin | Water Quality | MS Civil Engineering BS Environmental Engineering | 3 years |
| Megan Fronckowiak | Hazardous Materials | BS Environmental Science/Geology | 6 years |
| Natasha Snyder | Cultural Resources | MA Anthropology BA Anthropology | 28 years |
